SKILLS

- **Languages:** C/C++, Java, JavaScript, HTML, CSS, PHP, Node
- **Frameworks:** ReactJS, Angular
- **Cloud/Databases:** MongoDB, Firebase, Relational Database(MySQL)
- **Soft Skills:** Communication, Multitasking, Team Collaboration, Time Management, Problem-Solving, Adaptability.

INTERNSHIP

WEB DEVELOPMENT AND DESIGNING   September 2024 – October 2024
OASIS INFOBYTE
- Developed a visually appealing landing page using HTML and CSS, focusing on layout, alignment, and responsive design.
- Created a personal portfolio showcasing skills and projects, incorporating interactive elements and a professional layout.
- Built a functional temperature converter with input validation and unit conversion using HTML, CSS, and JavaScript.
- Designed and implemented a basic calculator with interactive UI and core mathematical functionalities using HTML, CSS, and JavaScript.

FOREVER LIVING PRODUCTS   September 2023 - June 2024
- Provided mentorship and support to junior sales associates, helping them reach their individual sales goals.
- Organized regular team meetings to track progress, address challenges, and set achievable goals, resulting in a 20% increase in team performance.
- Conducted cold calling campaigns to promote wellness products and generate new business opportunities.
- Developed and implemented targeted social media strategies to enhance brand awareness, product engagement, and customer loyalty.

PROJECTS

CRYPTO CURRENCY (POWER BI DASHBOARD)   March 2025 – April 2025
- Utilized dynamic data visualization techniques to simplify financial complexities and enhance analytical decision-making
- Analyzed cryptocurrency market data to identify trends in price fluctuations, trading volumes, and investor sentiment.
- Curated, cleaned, and merged multiple data sources to ensure high accuracy and consistency across historical and real-time metrics.
- Developed interactive dashboards to empower users with actionable insights for investment strategies and market performance tracking.

MANIKA (Eco-Friendly Plant Nursery)   October 2024 – November 2024
- It offers detailed information about different plants, their care gardening techniques across India.
- The platform helps users make sustainable gardening choices by suggesting eco-friendly plants, organic fertilizers, and other environmentally friendly gardening products.
- Tech-stack – HTML/CSS, ReactJS, APIs, Firebase.

CHATBOT   March 2024 – April 2024
- Built a fast and scalable backend for a chatbot using Node.js, ensuring smooth real-time interactions with users.
- Integrated MongoDB to store and manage user data and conversations, allowing the chatbot to deliver personalized responses.
- Enabled real-time communication using WebSocket technology, ensuring instant replies to user queries.
- Tech-stack – HTML/CSS, Node.js, Express.js, MongoDB

ACHIEVEMENTS

- Led **NSS** initiatives, including blood donation, plantation drives, and women's rights campaigns.   Since August 2022
- Participated in **Smart India Hackathon's** advanced coding challenges.   September 2024
- Managed event logistics for **Tachyons**, coordinating timelines and team tasks to meet event requirements.   October 2022 - July 2024
- Participated in a **22Km Marathon** organized by the **Border Security Force**.   October 2022

CERTIFICATES

- Cloud Computing – CipherSchools   January 2025 – February 2025
- Power Bi – Coursera   February 2025
- Data Structure and Algorithm - Board Infinity   June 2024
- Server-Side JavaScript with Nodejs – Coursera   April 2024
- SQL for Data Science – Great Learning   January 2024

EDUCATION

Lovely Professional University   Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.15   Since August 2022

Oxford Model Senior Secondary School   Kanpur, Uttar Pradesh
Intermediate; Percentage: 79.8 %   April 2021 – 2022

Oxford Model Senior Secondary School   Kanpur, Uttar Pradesh
Matriculation; Percentage: 83.2 %   April 2019 – 2020
